Anyone can have their reputation destroyed on Ripoff Report - not just ordinary people

This 'report' .was just posted:

<http://www.ripoffreport.com/r/Fred-Medick/Los-Angeles-California/Fred-Medick-scammed-Stanford-out-of-40K-Trial-Attorney-US-Department-of-Justice-Fred-M-1101895>

Yet it is already on page 1 of Google:

<https://www.google.com/#q=fred+medick+us+department+of+justice>

<https://www.google.com/#q=fred+medick+attorney+los+angeles>

and on page 2 for a search using Google autocomplete

<https://www.google.com/#q=fred+medick+doj&start=10>

Michael, maybe you should offer him the option to publish a free authorised statement - the same as you offer all victims...(not the option to pay \$2,000 or suffer the destruction of his reputation)

I will take screenshots of the RipoffReport.com webpage and Google searches for reference.

Janice
